Charge to the Sons of Confederate Veterans

“To you, Sons of Confederate Veterans, we submit the vindication of the cause for which we fought, to your strength will be given the defense of the Confederate soldiers good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles he loved and which made him glorious and which you also cherish. Convention Update

Wednesday April 7th will be our last meeting before the 2010 Maryland Division Convention in Ocean City, Maryland. Please make every attempt to attend this important meeting. We will discuss final preparations for this very special event. We have some ideas that need to be discussed and your input is important. Please make every effort to attend.

We Salute the Confederate Flag with affection, reverence and undying devotion to the cause for which it stand

Convention Update

Our request for donations of items to be offered to attendees at the Convention has exceeded our expectations. I am truly humbled by the generosity of those that were contacted to contribute to our Convention. We will be eternally grateful to those that helped to make this event a success. Donations are still coming in and we will display, publish and promote their products at our Convention. Each contributor will also receive a Certificate of Appreciation from the Elzey Camp. I have had some inquiries about plans for our guests during the business meeting. I have floated the idea of having them visit the Boardwalk or the Antique Shops in Berlin. There is also the Ward World Wildlife Carving and Art Show at the Convention. I can print \$2 off discount tickets and give them to the guests. Regular admission is \$10 and groups of 6 or more is \$6. We may want to seriously consider offering to reimburse anyone that attends the admission price if they bring us a receipt. Can't say how many would take us up on the offer but they can walk to the Convention Center and wander around for a few hours and maybe a few more spouses will attend. Of course it will cost

us a few bucks to offer this opportunity but it is important to offer our guests several options to occupy their time while we do battle at our meeting.

Convention Registration

Convention Registration has been slow but will pickup in the next few weeks. If any Elzey Camp members plan to attend the Convention please send in your registration NOW. We need to give an accurate count to the Hotel for lunch. Gentlemen, we are the host Camp for this year's Convention. We need to have as many members attend as possible. We will need help with setup the day of the event but more importantly it is an opportunity for us to get together as a Camp and welcome the Maryland Division Sons of Confederate Veterans and their guests to the Eastern Shore. Also we need to determine if we should have our speaker talk right before the lunch break. I can't stress the importance of having as many members of the Elzey attend the Convention as possible. There will be plenty to do on the day of the meeting. If we can spread the work out between us the event will go smoothly and no one will be overburdened

with additional responsibilities.
