## Charge to the Sons of Confederate Veterans

“To you, Sons of Confederate Veterans, we submit the vindication of the cause for which we fought, to your strength will be given the defense of the Confederate soldier's good name, the guardianship of his history, the emulation of his virtues, the perpetuation of those principles he loved and which made him glorious and which you also cherish. Remember, it is your duty to see that the true history of the South is presented to future generations.”

Lt. General Stephen Dill Lee, Commander General  
United Confederate Veterans  
New Orleans, Louisiana 1906

## Important Meeting Information

**Our next meeting will be held at the Golden Corral Restaurant on Naylor Mill Road off Rt. 13 North on Wednesday August 4, 2010 at 7PM. The Wicomico County Library has changed their meeting room schedule and we are forced to find a new location for our meetings. We will discuss our options at the August 4<sup>th</sup> meeting. There is also a possibility that we may have to change our meeting date to accommodate a new location. Please make every effort to attend the meeting at the Golden Corral so that we may have your input. We have discussed changing our meeting location many times over the years in an attempt to increase attendance at our meetings. The Library has always treated us fairly and we wish to thank them for allowing us to use their facilities.**

We Salute the Confederate Flag with affection, reverence and undying devotion to the cause for which it stand

## Meeting Location

Since our Camp was formed we have used the meeting rooms at the Wicomico County Library in Salisbury, Maryland. The meeting rooms are small and limited us as to the size of our events and activities. But the location was ideal and the price was certainly within our budget (free). We have discussed finding a new location for our meeting many times over the years but since we were comfortable there we didn't press the issue. Now that the Library has changed their schedule we must find a new home for our meetings. Several ideas have been put forth and all are appreciated. But we realize the importance of finding a location in our very near Salisbury so that none of our members will be forced to drive farther than necessary to attend meetings. An excellent location would be the American Legion in Salisbury. Our 2<sup>nd</sup> Lt. Cmdr Dale Foxwell has been in contact with the American Legion and they will be meeting in early August to discuss allowing us to have our meetings in their meeting room. The only date that is available is the last Wednesday of the month so we would need to change our meeting date. That is only one week different from when we currently meet and hopefully this would not place an undue burden on

our members. A larger meeting room would also allow us to plan special events and book speakers to make our meetings more interesting.

## Yearly Dues

Our new fiscal year has begun and with it the dreaded and relentless reminders for dues renewal. Please use the renewal form at the end of the Newsletter to send in your membership renewal. Our dues for the upcoming year are \$40 of which thirty goes to National. Our individual Camp dues have never increased. During these tough economic times we realize the need to tighten our belts and make difficult decisions as to where and how our hard earned money is spent. Hopefully you will continue to support the Elzey Camp and the Sons of Confederate Veterans in our efforts to protect and preserve our precious Southern Heritage.
